

Civilian Coin Challenge
Supporting our military with gratitude!

**Give a coin to an active, honorably discharged, or retired military person.
 Thank a military family member, friend, or stranger in a restaurant, an airport,
 or just walking on the street “for what they do”.**

The *Civilian Coin Challenge* allows civilians to **express their gratitude directly to military personnel** by continuing a military tradition of presenting a coin as a badge of honor. The coin represents American civilian recognition of honor, respect, and gratitude to U.S. Military personnel for what they do for every American civilian. The profit from the sale of the *Civilian Coin Challenge* coins will be donated to **improve medical care for wounded military personnel**.

Name: _____ **ALL coins will go to this address!**
